

# Moon observing log

| Date | Time | Age | Instrument | Magnification | Seeing (1-5) | Features observed |
|------|------|-----|------------|---------------|--------------|-------------------|
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
|      |      |     |            |               |              |                   |
